Earnings Results

Netmarble IR May. 12th, 2022

DISCLAIMER

The financial information included in this document are consolidated earnings results based on K-IFRS.

The “financial results for 1Q 2022” for Netmarble (the “Company”) contained in this document have been provided for investors’ convenience only and have not been audited by an independent auditor. Therefore, certain part(s) of this document are subject to change upon the audit outcome.

This document contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, “forward-looking statements” often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” or “will.” “Forward-looking statements” by their nature address matters that are, to different degrees, uncertain. For us, particular uncertainties which could adversely or positively affect our future results include the behavior of financial markets, the Company’s strategic actions, unanticipated dramatic developments in our major business conditions, and numerous other matters at the national and international levels which could affect our financial results.

These uncertainties may cause our actual results to be materially different from those expressed in this document.
